Fish Grill chicken breast and baste with mustard herb glaze

Instructions

1. Preheat Oven

Preheat the oven to broiler setting.

2. Process Ingredients

In a mini food processor* add the garlic, rosemary, thyme, wine, oil, Dijon mustard, and whole grain mustard. Process the ingredients until it forms a smooth sauce.

3. Prepare Baking Sheet

Line a baking sheet with tin foil and spray with cooking spray.

4. Broil Salmon

Lay the salmon fillets, skin side down, on the baking sheet and sprinkle with salt and pepper. Broil for two minutes, then remove and spread mustard herb glaze over each of the salmon fillets. Place back under the broiler for 7-8 minutes or until the salmon is cooked through and flakes easily with a fork.

*If you don't own a mini food processor, an immersion blender or simply mixing the ingredients together in a bowl will work well too.
