Ingredients

1 Serving **5 Mins Total Time** **Allergens: None**

1 Ginger Snap Cookie

2 Tbsp Sugar

2 oz Apple Cider, **pasteurized**

2 oz Ginger Beer 

Nourishment Note

Ginger Beer

Ginger beer, ginger ale, and ginger tea are all proven to help reduce feelings of nausea.

Consuming liquids between meals rather with meals can help reduce episodes of nausea and help maintain hydration.

Consuming cool, light foods and beverages with little odor can help with nausea.

Instructions

1. Wash Hands

Wash hands and all cooking surfaces with soap and warm water before beginning.

2. Mix Ingredients

To a zip-top bag, add the ginger cookie and sugar. Crush gently rolling a rolling pin over the bag. Wet the rim of the glass and dip in the sugar cookie mixture. (This step is optional).

3. Pour Over Ice

Fill a glass half-full of ice. Pour the apple cider over ice. Top with ginger beer.

4. Wash Dishes

Wash dishes in hot, soapy water. Sanitize cooking tools and surfaces, and thoroughly wash hands.

Recipe developed by Meijer Chef, Chad Beuter

What You'll Need

Measuring Cup

Glass

Zip-Top Bag

Rolling Pin

Fatigue Buster

- Ask a friend or family member to help prepare recipe.
- Try making a large batch and keeping it in the refrigerator to have on hand for nausea episodes. Beverage will keep well for up to 2 days.
